Dear CVCS Family,

We are grateful to the Lord for the way He has provided for Cumberland Valley Christian School. God is so faithful and has shown His provision through the support of our parents, the dedication of our staff, and the generosity of donors. His faithfulness reminds us of the importance of trusting in Him as we continue to invest and educate the next generation.

We kicked off our Annual Fund in September with a golf tournament. It was an unprecedented success. Thanks to everyone who participated.

Now is the time for all of us to pull together as a team and fulfill the goal of \$20,000 for the Annual Fund. Whether you can give \$5 or \$5,000 or somewhere in between, know that every gift counts and makes a difference. Through your gifts, we are making Christian Education accessible to as many families as possible.

The tuition dollars that the school receives only cover approximately 70% of the cost to educate the students and to operate the school. This is why it is essential that we receive financial support from our school family and friends.

As you give, think of all the lives that will be touched by CVCS. Consider the many blessings God has given you. Remember the joy of giving. Recognize your significance in the success of His team.

Once again, on behalf of CVCS, thank you for your giving. I encourage you to continue to glorify God this next year, and let's band together for the cause of Christ!

Blessings in Christ,

Mike Sanders  
President of CVCS
