Dear CVCS Family,

It's amazing to me that as I write this, I am reflecting on 32 years of teaching at CVCS. In some ways it seems just yesterday that I was standing in front of a classroom here for the first time, addressing the Class of 1995 on the first day of school on Sept. 6, 1994. I've had the privilege of not only teaching but getting to know so many outstanding students since that first nerve-wracking day.

CVCS students have gone on to do many great things over the years. We have educated students that have become doctors, lawyers, pharmacists, business professionals, and school administrators, in addition to those who have earned a Ph. D. in their fields, including Chemistry, Education, and Medicine. And of course, many students have gone into the ministry to advance God's kingdom.

None of that would be possible without the generosity of CVCS supporters, many of whom have participated in our Annual Fund. A designated portion of our Annual Fund is specifically used to assist struggling families in meeting their tuition obligations so that their children may continue receiving the quality, faith-based education that Cumberland Valley Christian School offers. Some of the students mentioned above have directly benefited from the Annual Fund.

I encourage you to get involved with the Annual Fund as part of your holiday giving. Your gift can make not only a lasting impact on our school, but also on the community and perhaps the world.

There are two convenient ways to contribute to our Annual Fund:

- Online: Visit our website at <https://www.cvcdblazers.com/> and click on the "Support Us" section, where you can make a secure online donation.
- By Check: Please make your check payable to "Cumberland Valley Christian School" and mail it to:
