RACE FOR EDUCATION

2026

What is Race for Education (RFE)?

Race for Education is our largest fundraiser of the year, and we get the entire student body involved! Students and staff raise money and on **May 1, 2026**, they will run or walk laps on the soccer field. Runners with the most laps are recognized and prizes are awarded to the individuals and the classroom that raise the most money. There are individual prizes too!

Where does the money go?

It has always been our desire to make Christian education accessible to as many children as possible in our community. Each year, Race for Education helps to make this possible. Money raised through RFE goes toward tuition discounts. Whether it be multi-child, military, pastoral, etc, over 70% of CVCS families benefit from these tuition discounts.

How do I raise money for RFE?

We are using **PledgeStar** again this year. (Instructions are on the next page.) Each student will still have their own giving page where they can collect donations. The easiest way to give is through your child's giving page. You can also send in cash or checks. Make sure you note the student's name!

How do students earn prizes?

There are two simple steps for your child to earn prizes. First is to send emails or text messages (called "requests") through your child's PledgeStar page. PledgeStar will keep count of how many you send. The second step is to share on social media. PledgeStar is unable to track when you post your child's link, so you will need to email tmiller@cvcslazers.com and let us know once you've shared online. Deadline for prizes is April 10th. Check out page 3 for a list what students can earn!

Can I sponsor my child again this year?

We encourage our students to be as involved as possible, but we also recognize that sharing the donation page or sending emails can be time consuming for parents. Just as in the past, you, a family member, or friend may sponsor your child as a RFE participant. For a donation of **\$125.00 per child**, your student will qualify for all of the casual day prizes. See box 3 for how to make donations!

HOW TO USE PLEDGESTAR

We use an awesome web based fundraising system that makes it much easier for you to request pledges from your family and friends, and for them to make secure credit card donations online.

You will have to register your child/children to create their fundraising page. It's super easy to do, and all emails/texts will be done through that page. Just follow the directions below to get started!

Using your computer's browser:

- Go to <http://cumberlandvalley.pledgestar.com/>
- Click "Not Registered For This Year's Event"
- Enter your name and email address, then click "Submit"
- Follow the instructions on-screen to register your child as a Runner. You can continue adding Runners until you've registered all of your children who attend CVCS
- Add Family & Friends to send emails and/or texts

Or scan the QR code to register and get started!

When you finish, the system emails pledge requests to your family and friends, and allows them to make secure credit card donations online. You get notified each time a pledge is made, and you can track your pledge progress online.

Call 1-888-598-7510 if you need help.

A FEW NOTES...

Please review the following Race for Education prize & participation guidelines

- Do not send emails to anyone that the child or his/her parent does not personally know. Please do not look through a directory or do an internet search and send emails to random people, businesses, etc. This ultimately has a negative impact on CVCS and fosters negative relations between the public and our school. We have received complaints in the past and would like to avoid these issues for the future.
- If you send a text and an email to the same person, they will only count as ONE request. Please limit texts and emails to one person per household. (For example: Do not send one email to the husband and one email to the wife.)
- Do not send emails to fellow CVCS families or CVCS staff unless you have received their approval in advance.
- Students cannot send emails to other students.
- Grand Prizes are based on the highest dollar amount raised per student by the April 28th deadline. This is not a combined family total.
- All emails/texts must be done through your child's page on PledgeStar. This is the only way we are tracking participation this year, and we don't want anyone to be missed.
- You will be asked to input your student's t-shirt size when you register them. However, they will only earn a t-shirt when they have met the requirements stated on page 3.
- Students must send **AT LEAST ONE email** or **share on social AT LEAST ONCE** in order to participate on Race day.

****Failure to follow and/or abide by any of these rules will result in elimination from eligibility of any prizes. Also, should we receive any complaints about sharing or emailing, the student will be disqualified from any prizes****
