Dear CVCS Family,

March 15th, 2023

It doesn't take a genius to see that society is drifting further and further away from God. In fact, it can be downright demoralizing.

I was recently speaking with a man who was openly antagonistic toward Christianity, spewing the liberal mentality that is polluting society. He was disparaging the deity of Jesus, saying that He died just like any other man, and challenging the claim that our country has strong Christian values in its background. Nothing I could say could shake him off the ground on which he was standing.

It broke my heart to hear him speak this way, because I know where he will spend eternity unless he surrenders his life to Christ. As Jesus said in John 14:6, "I am the way, the truth, and the life: No one comes to the Father, but by me." Sadly, many people feel the same way that man does and are doomed to being eternally separated from God. As I said earlier, it is demoralizing.

What is not demoralizing, however, is seeing students here at CVCS standing on the solid ground that faith in Jesus Christ provides. Our mission here is not only to equip students for success in academics and life, but also to instill in them a desire to have a genuine relationship with God.

Here at CVCS, we offer an excellent academic program with a Christian worldview. We hope that we are sending students into the world who can do their part in helping others see a need for Christ.

Won't you help us in this effort? As you consider giving, please also imagine the impact that you can have on our students at CVCS. Think of the lasting impact that you can have in the lives of the young people who walk through our doors at CVCS, graduate, and continue to touch the community and the world around us. Thank you for your continued prayers, financial contributions, and entrusting us with what the Lord is doing.

Thank You,

Tom Coccagna
